

*From the Porch Swing* continues in the tradition of Silver Boomer Books' anthologies, a relaxing step into the past, an afternoon sipping Grandma's lemonade and watching Grandpa's whittlin' — looking down the road to tomorrow. Recalling Mimi, Grandmom, Granny, Grandma, Gonnies, Lola, Mammuccia or simply Grandmother — or reclaiming the security of standing beside Pop, Poppy, Papa, Grand-père, or Grandfather, we celebrate life — its continuity and connectivity — and grasp the grandeur. One hundred seven authors from Dallas to London; from Calgary, Canada, to Kraaifontein, South Africa, to Budapest, Hungary; we honor our heroes, our grandparents, and gloat of our grandchildren. Celebrate yours with us as we share grandparent memories.
